I apologize for just now being able to call you.

If you are up, please call.

If not. I am attaching instructions for EE. If you need security to escort you, please let me know ASAP.

You must arrive at the Ellipse between 7-8am. There will be an assigned seat in VVIP for you and your guests.

Thanks

I spoke in a downpour ☺

I could not get through barricades so we went around to the other side

And walked in

I spoke right when I got there at 3:30 but was confused as I didn't know anyone running it...

I guess everyone switched off on stage ?

Even Caroline isn't in the loop of everything. She leaked a false story to Breitbart and its upset a lot of people

1/4/21, 9:32 AM

Kylie Jane Kremer (+ [REDACTED])

I don't have any control or knowledge about tomorrow. I will try and find out but maybe better you stay away from the crazies like Alex Jones, etc that speak tomorrow and just speak Wednesday.

This stays only between us, we are having a second stage at the Supreme Court again after the ellipse. POTUS is going to have us march there/the Capitol.

It cannot get out about the second stage because people will try and set another up and Sabotage it. It can also not get out about the march because I will be in trouble with the national park service and all the agencies but POTUS is going to just call for it "unexpectedly"

POTUS is confirming speaking schedule for ellipse and we should have by COB today.

If anyone tells you otherwise, it's not accurate info. Only myself and Katrina know full story of what is actually happening and we are having to appease many people by saying certain things.

1/4/21, 9:28 AM

Mike Lindell ([REDACTED])

Hi Mike! We didn't. We are somewhere driving in East New Mexico right now. Very tired after a long day on the bus. Can we talk tomorrow?

A few things:

1. Will you join us Jan 6th to speak? (Also any other place on the tour... we just released the outline of cities)
2. Can you put us in contact with Charlie Kirk & Gov Noem?
3. We have a call with Diamond & Silk tomorrow and they reached out to us wanting to come on the 6th.
4. We have an immediate need for operating capital.

I can give you a full update tomorrow whatever time works best for you... it's a travel day on the bus.

"Hello, I am Mike Lindell, inventor of My Pillow and proud supporter of President Donald Trump. I can tell you that President Trump has never stopped fighting for every American and now more than ever he needs us to have his back. That's why I'm extremely proud to sponsor the March for Trump Bus Tour powered by My Pillow and Women for America First. We must rise up to demand election integrity and that's why we're coming to your city on our way to the BIGGEST rally ever in Washington DC on December 12th

!!  
We must stand for President Trump and American liberty. I invite ALL Americans to join us in this fight to save the Republic.

The truth will prevail, I guarantee it. "

Are you able to jump on a call with me and Army (my mom) today to go over a couple of things?

We announced last night UFC fighter Jorge Masvidal is joining for the kickoff.

We wanted to get with you on the schedule and see when you will be joining us.

Also, is there anyway a transfer can be made to WFAF today?

Let me know what time works best to jump on a call.

Whatever works best for you. I am still working on finalizing the things we discussed yesterday and working on getting them to you.

We are cancelling our event in Atlanta this weekend and I had to work on getting the word out and with our press guy to get a press release out.

As far as which organization/company you would like to do this under... whatever is best for you!

I will circle back in a couple of hours.
